## WORK EXPERIENCE

### **Bandit Lites**, Nashville, T.N.. — Best Tech, *Lighting Technician/Install*

Preps shows from plots, wires power and control for rigs. Works with crew chiefs and project managers to complete rigs for clients. Tours with rigs as L2/L3 to ensure quality and consistency on shows. Directs local hands for load-in/out and manages the beach during shows. (2022-Current)

### **Elevation Church**, Charlotte, N.C. — Lighting Contractor

Designs immersive lighting to accomplish a well-rounded experience for our guests. Completely multi-parameter rig with moving washes and profiles, along with pushing graphics via Resolume. (2019-Current)
